

PAUL CRUME, writing in the Big D column of The Dallas Morning News, recently made these observations . . .

Occasionally we get a copy of a little magazine called Nateral Food and Farming, published by Dr. Joe Nichols down in Cass County. This magazine is full of practical stuff such as that you sometimes get better results by not weeding your garden. This is a principle which we have practiced with great success for years.

We have only one small reservation about the natural food people. A lot of them seem to be young people of 50 to 55 with Vanddyke beards. There probably isn't anything wrong with Vanddyke beards. It is just that they hamper us personally in sizing up a person. Take a man with a long, black Vanddyke. You can't tell whether he peddles cough drops or might hypnotize you when you aren't looking.

You have to watch out for these hypnotists. We saw one hypnotize Elton Miller one time and make him lean like the Tower of Pisa. It is true that this hypnotist was smooth-shaven. He was in disguise.

THERE'S A NEW TWIST to the answers of today's young people. Take, for example, the reply given by the Hamlin fellow who was faced the other night by his girl friend's father over at Stamford . . .

"What do you mean by necking my daughter, young man?"

"I was just carrying out the scriptural injunction to 'Hold fast that which is good,'" replied the ingenious youth.

AMONG SOME daffynitions that sounded reasonable, whether exactly according to Webster or not, include . . .

Pessimist—A woman who thinks she can't get her car into the only available parking space.

Optimist—A man who thinks she won't try.

Adult Western—One in which the love triangle doesn't include a horse.

Expectant Mother—One who expects a baby shower, extra consideration, the best medical care and, incidentally, a baby.

Rugged Individualist—One who reads a best seller without knowing that it is.

Optimist—A man who thinks that empty space at the curb won't have a hydrant right beside it.

Mutual Praise—The currency we exchange and deposit in the bank of vanity. It is invariably highly inflated.

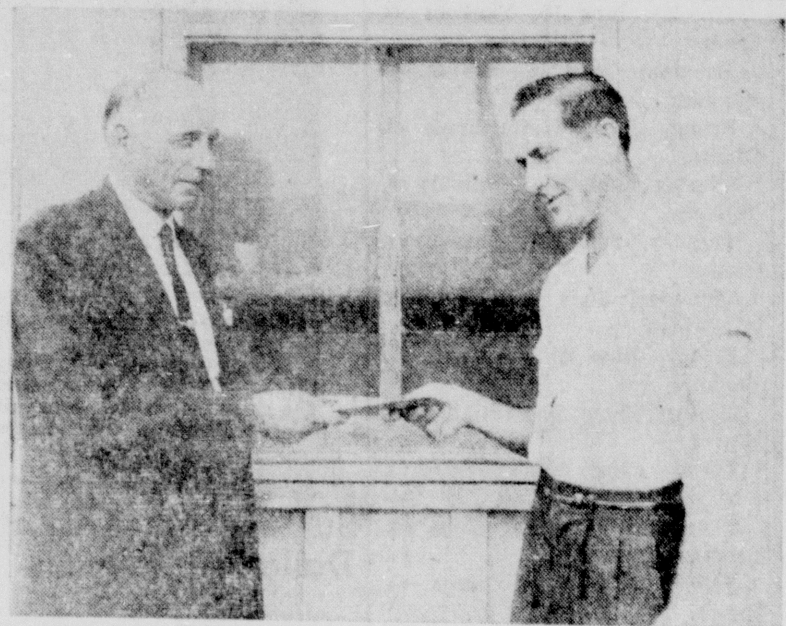

A REAL HOME is a gymnasium because it has a program to give a child a healthy body; it is a lighthouse because it reveals breakers ahead, and shows a clear way past them; it is a playground providing for innocent games and sports; it is a workshop where the child is taught to do things; it is a forum where honest and open discussions of life's great problems are helpfully conducted; it is a secret society where family loyalties are sacred; it is a health resort where mothers are natural physicians; it is a temple of worship where the child learns of a Heavenly Father whose love finds a ready response in the heart of the child.—Edward Earl Purinton.

TWO FARMERS in South Texas, we were advised the other day, were always trying to outdo each other regarding crops. One morning the first farmer said to his son, Jimmy, "Go over to Ernest's house and borrow his cross-cut saw for me. Tell him I want to cut a watermelon."

On returning, Jimmy said, "Ernest said he couldn't let you have the saw until this afternoon. He's only halfway through a cucumber."

REV. VICTOR ORTIZ, pastor of the Mexican Baptist Church at Hamlin, who is doing evangelistic work among Latin American laborers in Alabama during the potato harvest, writes The Herald that he and his wife are intrigued by that section of the country.

"The country is beautiful over here. Loto of water, crops look good. Oats and wheat will make up to 75 bushels to the acre. They expect to make a bumper crop in potatoes."

RAILWAY SUPPORTS DRIVES—Santa Fe Railway, one of Hamlin community's biggest industries and taxpayers, has been liberal through the years in its support of financial drives in carrying out its good citizenship obligation, campaign leaders will tell you. Typical of Santa Fe's support through the years, above are pictured W. A. J. Carter, superintendent of the Santa Fe for the Slaton division, presenting a check to Don Lock, local drive official for the Red Cross.

No Opposition Seen To Train Stoppage

No opposition to discontinuation of Santa Fe Trains 45 and 46, operating as the "doodlebug,"

passenger train from Silver to Chillicothe, when a hearing by the Texas Railroad Commission is held June 2 at San Angelo, according to three officials of the Santa Fe Railway who were in Hamlin last Wednesday.

Talking with Hamlin people last week about the application to discontinue the passenger service were W. A. J. Carter of Slaton, superintendent of the Panhandle & Santa Fe; F. E. Hanlon of Amarillo, general passenger agent of the Panhandle & Santa Fe; and J. R. Fitzgerald of San Angelo, trainmaster of the P&SF.

Officials of the company have said the train was patronized by only 100 persons in 1958. The line, however, is described as a busy freight carrier. The trains had carried mail until January 1 when the contract went to a trucking concern.

Statement of operating revenue for the year ending February 28, 1959, shows a deficit of \$95,657. The three officials said that six-day express service would be handled by freight trains making Hamlin.

Forty-nine of the 50 members of the senior class of Hamlin High School will make the annual senior trip next week, it is announced this week by B. V. Newberry, HHS principal and manager of the annual trip.

Besides Newberry, two sponsors of the senior class and several mothers of seniors are due to accompany the group.

The group will travel in two chartered Greyhound buses that will leave from Anson about noon next Tuesday. They will travel all night Tuesday night, arriving in Baton Rouge, Louisiana, Wednesday morning, where they will tour the state capital and other sights of interest. They will proceed on to New Orleans, where they will headquarter for several days while touring scenic spots in the area.

Hamlin FFA Judging and Conducting Teams Win Five Places at District

Judging and chapter conducting teams from the Hamlin High School chapter of Future Farmers of America last Tuesday night won five places in district competition held at Stamford High School. The Hamlin candidate for District FFA Sweetheart lost out when Peggy Sumerlin of Roby was named.

Peggy, daughter of Mr. and Mrs. E. E. Sumerlin, was elected on the second ballot in a run-off with Sherry Lee of Stamford. Peggy is a freshman at Roby High School and a sister of Becky Sumerlin, widely known barrel racer and a beauty queen in her own right. Peggy will represent the district at area competition at Midland May 30. Nina Jean was Hamlin's candidate for Sweetheart.

In the judging contests Future Farmers from Roby led the field with six places. Hamlin won five places: Stamford, Anson and Hawley, four; Rochester, and Rule, three; Girard, two; and McCaulley, Rotan, Avoca and Weinert, one each.

The following chapters received their banners and awards for victories in district leadership and judging contests:

FFA Quiz—Rochester, first; Hawley, second; Roby, third. Radio—Hawley, first; Rochester, second; Rule, third. Junior Farm Skills—Anson, first; Hawley, second; Stamford, third. Senior Farm Skills—Stamford, first; Rochester, second; Roby, third.

Attendance at Sunday Schools of Hamlin churches took a climb Sunday after several weeks of declining totals. The 1,310 total was 58 more than the preceding Sunday, but was 57 less than the year ago figure.

Attendance, by churches, for May 3, April 26 and a year ago follows:

Churches—	May	Apr. Year	3	26	Apr. Year

VISITS ILL MOTHER.

Mrs. Charlie Durham has been in Weatherford for several weeks at the bedside of her mother, Mrs. J. B. Allen, who has been seriously ill, but at this time is much improved.

Rabbit Control Demonstrations to Be Held in County

Series of eight rabbit control demonstrations will be held in Jones County next week, May 13 and 14, according to information received this week from Jones County Farm Agent Kirby Clayton.

Although thousands of rabbits were killed during the recent series of rabbit drives in Jones County, they are still present in damaging numbers over most of the county, the agent says.

R. E. Aday, supervisor for the Rodent Control Service in Fort Worth, predicts that rabbits will take a heavy toll of the young cotton in Jones County when it emerges unless farmers follow a well planned control program. Agent Clayton reports that a new kind of rabbit poison will be available along with the regular poison maize at the series of demonstrations next week.

Aday will demonstrate how to use the new bait material at each of the demonstration sites.

The demonstrations will be held according to the following schedule:

May 13 — Noodle school, 8:30 a. m.; Neinda, C. E. Gregory farm, 10:30 a. m.; Plainview community, Sam Carnes farm north of church, 1:30 p. m.; Funston, R. G. Rowell farm, east of Funston, 3:30 p. m.

May 14—Nugent, B. R. Doty farm, 1:30 p. m.; Hawley, D. C. Rister farm, 3:00 p. m.; Ericksdahl, Ernest Sagerston farm, 8:30 a. m.; New Hope community, A. H. Lindsey farm, 10:30 a. m.

Eight Women Golfers Go to Snyder Tourney

Eight women golfers from Hamlin went to Snyder Tuesday to participate in a one-day invitational golf tournament at the Snyder Country Club. More than 100 women golfers from Central West Texas were expected to take part in the tournament.

From Hamlin the following made the trip: Mmes. B. O. Bell, M. L. Smith, George Poe, Gene Knabel, Wilson Brannon, R. D. Compton, Joe League and Billy Joe Wilson.

New Fishing Licences Required at Lake

Fishing has been pretty good in recent weeks at the Hamlin South Lake, despite the fact that the water level has been some 10 feet below the spillway, according to J. C. Cauble, caretaker at the lake.

Cauble reminds fishermen that 1958 licenses expired on April 30, and new permits must be secured in order to fish at the lake now. Single permits are 50 cents per day, or season permits may be purchased for \$5 for the season on which an entire family may fish.

IF YOU LIKE IT, BUY IT!—That was the premise for the "tasting tea" staged last Friday evening by the Beta Theta and Xi Gamma Phi groups of the Beta Sigma Phi Sororities at the home of Mrs. E. J. Hawkins. Favorite recipes for foods and drinks were made by members of the sororities, then offered by servings at the tea. If the "taster" liked the delicacy and wanted the recipe, she purchased the recipe. Shown in the picture are Mrs. Hawkins, the hostess; Mrs. John C. Bryant, president of Beta Theta; and Mrs. Billy Joe Wilson, president of Xi Gamma Phi. It was the community's first tasting tea.

Campaign Renewed to Place Curb and Gutter on Streets

Lamesa Man Will Lead in Revival of Sunset Baptists

Tomorrow (Friday) evening at 7:45 o'clock marks the beginning of a series of evangelistic services at the Sunset Baptist Church, announces the pastor, Rev. Derl Lee, that will continue through Sunday, May 17. Beginning Monday and continuing through Saturday, May 16, morning services will be at 10:00 o'clock, and the evening service will continue at 7:45.

Evangelist for the meeting will be Elder E. L. Jones, pastor of the Bryan Street Baptist Church of Lamesa. Elder Jones has conducted revival services in Hamlin in previous years, and is well known in this area. He is recognized throughout the state as an outstanding evangelist, says Rev. Lee. He was recently elected state evangelist for the Baptist Missionary Association of Texas but declined the position in favor of pastoral work.

Rev. Lee and his congregation extend an invitation to the public to attend all the services.

COMMISSIONER ILL. County Commissioner Johnnie Agnew is in the Hamlin Memorial Hospital with a good case of the flu.

PREACHING for a series of evangelistic services at the Sunset Baptist Church, corner of Northwest Sixth Street and Avenue C, will be E. L. Jones, pastor of the Bryan Street Baptist Church in Lamesa. The revival begins Friday evening and continues through Sunday, May 17. Services will be at 10:00 a. m. and 7:45 p. m.

THE EASY WAY. The old mountaineer was sitting in his favorite cane-backed rocker on the front porch of his cabin, slowly rocking east and west. Nearby sat his 40-year-old son, rocking north and south. "Son," drawled the old man, "it's about time you learned not to wear yourself out that way. Rock the way the board runs, and save your strength."

Cost of Only 85c Per Foot Cited as Less Than Scale

Another concerted effort to curb and gutter unpaved areas in the business and residential areas of Hamlin is being pushed by the city of Hamlin, now that improved weather conditions permit, and property owners are being urged to contact city officials or the city hall and make arrangements for the work.

Very nominal cost—85 cents per foot—has been posted for this work, which is about half of what is being charged elsewhere, city officials point out.

The following statement has been issued by city officials about the work:

The City of Hamlin is interested in improving its city in every way possible, and we think that our extensive curb and gutter program is one of the best ways possible to improve the city at a small cost to each property owner. Hamlin is very flat and will never be successfully drained without properly engineered curb and gutter.

There are several questions that might be asked by the public concerning this civic improvement. Many of these questions have been answered a number of times, but each year there is a renewed interest in this project and we are

See CURB PROJECT—Page 3

Music Students Will Present Music Week Program This Eve

Students of the music department of the Hamlin schools will present a program for the public in observance of National Music Week this (Thursday) evening at 7:45 o'clock in the high school auditorium.

Mac Fullerton will present his beginner fifth grade band in their first public appearance.

The fourth and fifth grade public school music classes, followed by the choral group from Junior High School, will sing. The singing groups are under the direction of Mrs. Willard Maberry.

The public is invited to attend the concert. Mrs. Maberry wishes to express her appreciation for the fine spirit and cooperation shown her by the teachers this year.

First Drawing to Be Held Saturday Of Next Week

Appreciation Day, trade promotional project of 48 participating Hamlin merchants signed up several weeks ago, will be put into operation this week-end, it is announced by a committee from the merchant group.

First treasure chest coupons for the initial drawing scheduled on Saturday May 16, will be issued Saturday of this week on purchases and payments on account.

Other coupons, being issued complimentary by participating merchants, will be distributed in Hamlin Saturday morning, along with pamphlets explaining the Appreciation Day program.

The coupons will be punched by the merchants for a percentage of the treasure chest pot, to be added to each week, when the drawing will be held each Saturday afternoon at 4:00 o'clock. Purchase of 25 to 99 cents will be honored with a five per cent coupon; \$1 to \$4.99, 10 per cent; \$5 to \$9.99, 20 per cent; \$10 to \$14.99, 30 per cent; \$15 to \$24.99, 40 per cent; and \$25 to \$74.99, 50 per cent.

Beginning May 16, drawings will be held each Saturday afternoon at 4:00 o'clock at the corner of the F. & M. Bank on Southwest Third Street. Treasure chest for the first week will be \$100. The chest will be increased by approximately \$100 each week, less the amount paid to each week's winner.

In addition to the treasure chest award, which will be good for trade at any participating firm, three additional cash or merchandise awards will be given each week by the merchants in rotation. Donors for the first week will be Barrow Furniture Company, Western Auto Store and Malouf's Department Store.

One Completion, Two Tests Hold Area Oil Spotlight

One completion and two new sites staked constitute features of oil activity in the Hamlin territory in recent days.

Jontes & Stasney et al of Albany No. 2-A C. P. Amerson was staked in the East Hamlin Field, seven miles east of Hamlin. Having a proposed depth of 3,300 feet with rotary equipment, it is 1,220 feet from the north and 3,019 feet from the west lines of Section 65, Block 2, Southern Pacific Railway Company Survey.

Potential was taken at a well completed on the Jones County side of the SLC (Tannehill) Field. It is Joe Salita and Dorman Anderson of Wichita Falls No. 1 Scott-Turner, located in Section 134, Block 1, B. B. & C. Railway Company Survey, seven miles northeast of Hamlin. The well gauged 63 barrels of 38-gravity oil plus 45 per cent water daily. It is pumping from four perforations per foot at 2,464-80 feet. Casing is set at 2,525 feet and the hole bottomed at 2,536 feet.

Moore & Moore Drilling Company of Abilene staked its No. 1 Sam Balze as a 3,250-foot rotary wildcat nine miles east of Hamlin. Location spots 2,130 feet from the north and 2,310 feet from the east lines of Section 89, Block 1, B. B. & C. Railway Company Survey.

REV. COMBS RECOVERS.

Rev. Doye Combs was able to fill his pulpit Sunday at the Fairview Baptist Church after a bout with the flu the week before, and a two-day stay in the hospital.

CALIFORNIANS VISIT.

Mr. and Mrs. Earl Isbill of Pasadena, California, visited in the home of his sister, Mrs. Johnnie Agnew, last week.

FIRST USER—George Bell Jr., 25, of Mexia was driving too fast to stop and his car crashed into the concrete framework of an overpass under construction on a new portion of U. S. Highway 75 in Houston. Bell was uninjured.

WHAT SHOULD OUR SCHOOLS ACCOMPLISH?

Considerable attention has been given legislators, school authorities and private citizens on the moot question of what our schools really should accomplish.

We believe they should provide all children with a knowledge of the traditionally accepted "fundamentals." These fundamentals were defined in the early elementary schools as reading, writing and arithmetic. As the pupil advances in school, these three Rs should be accomplished by a study of such courses as higher mathematics, science, history and English. Upon graduation from high school a student should have had specific training to do something—to go to work and be successful on a job—in the event he finds it impracticable to continue his education.

Enable each child to develop the power to think constructively and critically and to solve problems.

Provide citizenship education opportunities that emphasize the American heritage and include knowledge and acceptance of the responsibilities and privileges of citizenship.

More effective training for citizenship usually results where the school, home, church and community work cooperatively.

Provide experiences for children and youth from which they learn self-direction and responsibility for their own behavior.

Assist in the development of moral and spiritual values, acceptable social skills and attitudes, and the ability to get along with others.

Assist each youth in his efforts to make a place for himself in the community. Some students prepare themselves for higher education; others work upon leaving school; and still others prepare for homemaking. Programs of vocational education and of counseling and guidance are needed in achieving these goals.

Provide educational programs which take into account individual differences. Each child has the right to experiences which will assist in his optimum growth and development within his capacity. This includes programs of enrichment for the gifted as well as opportunities for other exceptional children, including the mentally retarded.

The Best of Gifts

The best gifts are not those we buy, wrap in colored paper and adorn with tinsel, but those we give from the treasures of our hearts and wrap in the intangibles of grace and good-will.

To little children—smiles of encouragement and words of cheer as they step, a little bewilderingly, into the first experiences of life.

To youth—A helping hand in their quest for good romance and adventure, without which youth cannot live.

To old age—some opportunity for dreaming dreams.

To life and the things of life—Some measure of devotion which will enliven the common ways and ennoble the common tasks.

And to posterity—The legacy of a good name and good work well done.

Nuggets of Thought

The body is sooner dressed than the soul.—George Herbert.

All social life, stability, progress depend upon each man's confidence in his neighbor, a reliance upon him to do his duty.—A. Lawrence Lowell.

Little progress can be made by merely attempting to repress what is evil; our great hope lies in developing what is good.—Calvin Coolidge.

The only gift is a portion of thyself.—Ralph Waldo Emerson.

To try too hard to make people good is one way to make them worse. The only way to make them good is to be good, remembering well the beam and the mote.—George MacDonald.

The devil loves nothing better than the intolerance of reformers.—James Russell Lowell.

Undertake something that is difficult; it will do you good. Unless you try to do something beyond what you have already mastered you will never grow.—Ronald E. Osborn.

Polio will not actually be defeated until virtually all the population has taken advantage of the protection afforded by the Salk vaccine.—Terre Haute (Ind.) Tribune.

Action to increase social security payments by seven per cent probably will be a small relief to recipients, and one should not look a gift horse in the mouth—only this doesn't happen to be a gift horse. That fact is emphasized by the announced intention of tacking another one-fourth per cent to the grab taken from worker's pay, with a similar amount being charged to the employer.—Apollo (Pa.) News-Record.

That Measly \$77 Billion

To hear some politicians tell it, President Eisenhower committed an act just short of treason in submitting to Congress a balanced budget.

Their argument seems to be that this country is so rich it can afford to spend more than it takes in, and that it should do so because we need so many things.

Is it really true that this rich but needy country can violate without penalty the financial laws which every family in America must obey or meet disaster? Of course not. Whether your name is Astor or Smith, you'll pay the penalty if you go head over heels in debt for things you can get along without.

When the government goes in the hole, we all pay. Either taxes are raised to cover the shortage or inflation takes another bite out of every family budget in the land.

As the president asks, if we cannot pay as we go in a year of prosperity, can we ever again escape from deficits and inflation?

Editorial of the Week

WHERE "THAW" MUST BEGIN

The United States never willfully closed the door to negotiations, on whatever level, that gave promise of helping to relieve world tensions. But it takes more than willingness to sit at the peace table to assure the success of such a conference. Time and again since the close of the last war the impacable attitude of the Soviets has wrecked all attempts to find peaceful solutions to outstanding international problems.

If the "thaw" in the cold war which Khrushchev now professes to have detected is to amount to anything it must be accompanied with a softening of the icy recalcitrance of the rules in Moscow. So far there is nothing in the picture to indicate, as Secretary Dulles has astutely pointed out, that the Communists are interested in any terms other than complete surrender of the West to the demands of the Kremlin.

There is no yielding by Moscow on the question of free elections for Germany, no change in opposition to realistic atomic controls, no willingness to come to terms on the use of outer space or, in fact, anything very promising.

Yet the United States cannot with impunity decline to engage in further talks with the Soviet Union. Indeed, our readiness to do so has already been underscored by the president. Regrettably, without a change of Russian attitude, we can expect only a repetition of the futile results of past meetings.—The Grit Magazine.

RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper The Herald

THIRTY YEARS AGO.

Checking over our old files of The Hamlin Herald, we find the following items of interest in the issue of May 3, 1929:

Henry Albritton, Truett May and Revis Robertson, students at Simmons University in Abilene, spent Sunday at Hamlin visiting homefolks.

According to Homer Massey of the Chamber of Commerce, the main line of the Hamlin & Northwestern Railway has been completed to the gravel pit. The rolling stock has arrived, and the line will be ready for operation as soon as sidetracks are constructed.

Contracts were let last week for construction and hard surfacing of highways from Anson to Hamlin and Stamford to Hamlin.

Superintendent of Schools C. G. Green, Bill Cherry, Grogan Turner, Elmer Feagan, D. C. Gibson, Robert Johnson, Billie Bryant and Earl Isbill visited the high schools at Colorado City, Odessa, Big Spring, Tahoka, Post, Olney and Wichita Falls to study plans for the new school building here, for which bonds were recently voted by the district.

TWENTY YEARS AGO.

Among news briefs of interest in the Hamlin community 20 years ago were the following, reproduced from the issue of The Hamlin Herald dated May 5, 1939:

Month of April which has just passed has been called the driest April in 50 years in the Hamlin territory. It was even drier than April, 1918, which has been recorded as the driest month in history.

Mrs. S. C. Byrd sustained a broken right arm Wednesday when she fell at her home.

Mr. and Mrs. C. H. Stonesifer of Vernon are enjoying a two-week visit with their sons, Elmer and John Stonesifer.

Mr. and Mrs. Earl Temple and children of Lamesa were here Saturday and Sunday to visit their father, W. N. Temple, who has been confined to his room for two weeks because of a seriously sprained leg when was injured when he fell from a box while trimming the hedge at his home. He is much improved.

Mrs. Collie Porterfield and little daughter, Barbara Ann, of San Bernardino, California, came last Friday to visit for a month with her parents, Mr. and Mrs. Ed Bailey.

TEN YEARS AGO.

From the files of The Hamlin Herald we reprint goings-on in the community 10 years ago, the briefs below being from the issue of April 29, 1949:

Approximately 50,000 acres of land in the Hamlin territory is estimated this week to be seeded to wheat, and a crop of some 750,000 bushels is contemplated now if weather conditions continue favorable.

First meeting of the Hamlin Planning Board, composed of representatives of civic and women's organizations of the community, was held last Friday when The Hamlin Herald acted as host for group. I. R. Huchingson was elected president. Mayor Holly Toler, a guest at the meeting, declared that cramped city finances are the reason for several community projects not being undertaken. He said that property valuations are unusually low, and that tax revenues do not permit much community expansion.

FIVE YEARS AGO.

The following news briefs are reprinted from the issue of The Hamlin Herald dated April 30, 1954:

DePriest Colored School of Hamlin placed third in the state Interscholastic League meet held last week for Class B schools of Texas.

Crop prospects in the Hamlin region were improved this week by good rains that have fallen in recent days.

Hamlin Little League teams and their coaches are scheduled to stage a parade Saturday afternoon in downtown Hamlin to signal the opening of the 1954 season, next Tuesday night. About 75 boys will participate in the baseball play this summer.

Total of \$61,000 in Hamlin Independent School District bonds were purchased this week by the school district and Farmers & Merchants National Bank from a bonding company holding the bonds, issued in 1941. The school purchased \$40,000 worth with idle money of a sinking fund, and the bank bought the balance.

Nona White and J. R. Rhoton exchanged wedding vows Saturday afternoon at the Church of the Nazarene.

Little League Baseball Play Officially Gets Underway at Hamlin Monday

Regular play in the 1959 Little League baseball loop will get underway next Monday evening at 7:30 o'clock, it is announced by Dr. M. L. Smith, president of the league.

The four teams, which will be known as in the past by Braves, Yankees, Cardinals and Giants, will play warm-up or exhibition games Saturday evening beginning at 7:00 o'clock. Two three-inning games will top the evening's program. The Braves will oppose the Yankees, and the Cardinals will face the Giants.

Complete schedule for the regular season follows:

Monday, May 11—Cardinals vs. Yankees.
Tuesday, May 12—Braves vs. Giants.
Thursday, May 14—Cardinals vs. Braves.
Friday, May 15—Giants vs. Yankees.
Monday, May 18—Yankees vs. Braves.
Tuesday, May 19—Giants vs. Cardinals.
Friday, May 22—Giants vs. Braves.
Saturday, May 23—Yankees vs. Cardinals.
Monday, May 25—Braves vs. Cardinals.
Tuesday, May 26—Yankees vs. Giants.
Thursday, May 28—Braves vs. Yankees.
Friday, May 29—Cardinals vs. Giants.
Monday, June 1—Cardinals vs. Yankees.
Tuesday, June 2—Braves vs. Giants.
Thursday, June 4—Cardinals vs. Braves.
Friday, June 5—Giants vs. Yankees.
Monday, June 8—Yankees vs. Braves.

Tuesday, June 9—Giants vs. Cardinals.
Thursday, June 11—Yankees vs. Cardinals.
Friday, June 12—Giants vs. Braves.
Monday, June 15—Braves vs. Cardinals.
Tuesday, June 16—Yankees vs. Giants.
Thursday, June 18—Braves vs. Yankees.
Friday, June 19—Cardinals vs. Yankees.
Monday, June 22—Cardinals vs. Yankees.
Tuesday, June 23—Braves vs. Giants.

Thursday, June 25—Cardinals vs. Braves.
Friday, June 26—Giants vs. Yankees.
Monday, June 29—Yankees vs. Braves.
Tuesday, June 30—Giants vs. Cardinals.
Thursday, July 2—Yankees vs. Cardinals.
Friday, July 2—Giants vs. Braves.
Monday, July 6—Braves vs. Cardinals.
Tuesday, July 7—Yankees vs. Giants.
Thursday, July 9—Braves vs. Yankees.
Friday, July 10—Cardinals vs. Giants.

SO HE'LL TRY AGAIN.

A blond flapper called at the hospital the day after the accident.

"I want to see the young man who was injured in the auto wreck last night."

"Are you the girl who was with him?" asked the nurse.

"Yes," was the reply, "and I thought it was only right to come and give him the kiss he was trying for."

SUN-LOVING—A cotton sun and swim set in yellow soufflé striped seersucker by Reeves is modeled by Miss Malinda Berry, 1959 Maid of Cotton. The short top and swim suit by Brigrance for Sportsmaker pack and launder easily.

Summer Musicals at Dallas Announced

Numbers of Hamlin area people are interested in the eighteenth summer season of State Fair Musicals that open soon at Dallas. Included in the program will be Maurice Chevalier in his one-man show, four musical comedies and an old-time operetta favorite.

In addition to Chevalier the 12-week season beginning June 8 in the air conditioned State Fair Music Hall will include "The Panama Game," "Wish You Were Here," "The Vagabond King," "High Button Shoes" and "Bells Are Ringing."

Each show will have 14 performances during a two-week run. There will be performances nightly Mondays through Fridays and matinees on Sunday afternoons.

Edward F. Lawlis, Sylvester Farmer, Passes Saturday

Edward F. Lawlis, 58-year-old farmer of the Sylvester community, southwest of Hamlin, died at 10:00 o'clock Saturday morning while en route in an ambulance to Callan Hospital in Rotan.

He had been released Friday after being hospitalized for three weeks. He suffered his second heart attack Saturday morning.

Born May 14, 1900, in Falls County, he farmed in the Lawlis Flats community east of Sylvester. He came to Fisher County from Jones County, where he married Albatine Winter on April 26, 1919. He was a deacon in the Baptist Church and had been a church member for 22 years.

Funeral was held Monday afternoon in the Sylvester Baptist Church with Rev. O. D. Henley of Brownwood and Rev. T. M. Harrell of Hamlin officiating.

Burial was in the Rose Hill Cemetery in Merkel under direction of Weathersbee Funeral Home of Rotan. Pallbearers were Jim Lanning, Albert Maberry, Russell Kidd, Melvin Thompson, Leon Dickerson, J. D. Josey and Carl Murrell.

TERRIBLE MISTAKE.
"Why do you look so unhappy, pal?"
"I called on my girl last night and her mother jerked me into the hall and said, 'Young man, what are your intentions regarding my daughter?'"
"Just then my girl called from upstairs, 'Mama, that isn't the one!'"

EVER HIGHER FINANCE.
Vice President Nixon is reported to consider "economics" the most important issue in 1960—for many folks it is the most important issue in 1959.—The Pittsburgh Press.
The difference between "out selling" and "out-selling" is just a little dash!

DON'T GO AT IT PART HOG.
Unless garnished with parsley, hog knuckles should not be served at afternoon tea.—Lisbon Falls (Maine) Enterprise.
SECOND THOUGHT.
Then there's the guy who had so much fun at his bachelor party that he postponed his wedding.—Periscope, San Diego.

Youth Fellowship at First Methodist Elects New Officers for Year
Methodist Youth Fellowship of the First Methodist Church of Hamlin will complete a series of studies on what various denominations of churches believe next Sunday evening when Rev. Edmund Robb, pastor of the First Methodist Church, will speak on "What Methodists Believe."

Better drainage helps eliminate standing pools of water which conducive to the breeding of flies and mosquitoes. Curb and gutter will also help eliminate mud holes which property owners complain of even in this dry country. Usually these "mud holes" are caused by some person who has taken the liberty to fill in a drive-way crossing or barrow ditch for their own convenience not taking into consideration the person next door or the fact that they have eliminated the possibility of any drainage of the area above this point.
Curb and gutter aid in the beautification of your property. It will help eliminate unsightly barrow ditches which fill with dirt and trash and weeds. These trash and weeds are also breeding places for flies and mosquitoes. Also the barrow ditches require more maintenance to keep your property looking clean and well kept.
Lay-back curb is provided at the same cost for the driveway entrance. This eliminates the dip where your drive-way connects with the street. These dips are bad for the proper drainage of our streets.

BAK THE ENTRANCE.
The best way to reduce the incidence of divorce markedly would be to make it as difficult to get married as to get divorced.—Oakland (California) Tribune.

CURB PROJECT

(concluded from page one)

anxious for everyone to be informed as to its cost and benefits. Curb and gutter contribute to the betterment of the individual and the town as a whole in many ways. The health of our people, the beauty and maintenance of our property and improved by curb and gutter, which provide proper drainage.

House Bill 727, as it now stands, will only raise about \$30,000,000 per year. The only things remaining in the bill are a natural gas tax of one per cent, a 10 per cent tax on trading stamps, raising the fees on retailers of beer and wine, raising the tax on cigarettes one cent per pack, raising the tax on whiskey 10 cents per gallon and placing a tax on cigars and other tobacco products. The vote on passage of this was 73 to 72—and it is not known what the vote will be on third reading and final passage.

It is anticipated by most of the members of the House that the governor will call one or more special sessions, and his pet project will be to try to force through the House HB No. 32, which is the abandoned property bill. If House Bill 32 should pass we believe it would set a bad precedent in that the state could take over property where the owner's whereabouts had become unknown. We do not believe the state is entitled to this type of property, and if this bill should pass they would have the same opportunity to take other personal property as they would bank accounts.

In the event a special session is called, only things mentioned by the governor will be considered.

Let's pull together for the improvement of Hamlin, and we'll be surprised at what can be accomplished.

Representative Leon Thurman Says Tax Bill Passage Not Bright for Session

We have only two weeks left in the regular session of the fifty-sixth Legislature in which to pass a tax bill to meet the expenditures proposed in the appropriations bill passed by the House a few weeks ago, reminds Representative Leon Thurman first of the week in his weekly news letter to The Herald. The release continues:
House Bill 727, as it now stands, will only raise about \$30,000,000 per year. The only things remaining in the bill are a natural gas tax of one per cent, a 10 per cent tax on trading stamps, raising the fees on retailers of beer and wine, raising the tax on cigarettes one cent per pack, raising the tax on whiskey 10 cents per gallon and placing a tax on cigars and other tobacco products. The vote on passage of this was 73 to 72—and it is not known what the vote will be on third reading and final passage.

Old Farmers Coop Gin at Hamlin Sold

Recent sale of the old Farmers Cooperative Gin No. 1 of Hamlin was announced last week by Watts Fletcher, president of the cooperative organization. The gin located on East Lake Drive, has not been operated for the past several seasons.
The equipment was sold to the Planters Gin Company of Sweetwater. Part of the equipment was moved to Andrews and some of it to the Planters Gin at Buford.
The \$26,529 realized from the sale of the gin is being distributed to stockholders in the old gin. Fletcher announces.
The Herald has carbon paper.

WIN \$50 IN GROCERIES!

IN OUR LOCAL GULF GULFTANE LP-GAS BUTANE PROPANE

WATER HEATING CONTEST
Just write down one number—Nothing to buy!

An LP-Gas water heater will deliver much more hot water than an electric. How many gallons more in 30 days—that is the contest question.

SEND IN YOUR ESTIMATE YOU MAY WIN!

Wonder why we have a contest like this? To prove what some folks don't know—that Gulfthane beats electricity in providing plenty of hot water 24 hours a day at low, low cost.
It's a dramatic way of saying that if you aren't using Gulfthane for water heating, you're probably getting too little and paying too much!
What is Gulfthane? It's a high quality LP-Gas, also known as bottled gas, propane or butane. It is gas compressed into concentrated liquid form, so that we can deliver Gulfthane to you easily and economically. Here's what it will give you:
HOME HEATING—clean, automatic heating with Gulfthane for only pennies a day.
COOKING—the modern way, with fast, clean, automatically controlled Gulfthane flame.
TRACTOR FUEL—clean-burning Gulfthane cuts maintenance costs up to 50%... costs less too.
MANY, MANY OTHER FARM AND HOME USES!

FACTS TO HELP YOU WIN!
An average 30-gallon LP-Gas water heater is able to deliver between 13,600 and 17,900 gallons of 160° hot water per month... an average 52-gallon electric water heater between 3,950 and 5,250 gallons of hot water each produces in 30 days, operating 24 hours a day will vary one way or the other between these totals, depending on operating conditions.
Your Gulfthane distributor has an ENTRY BLANK which contains all the test details and gives you plenty of additional information to help you win. To get your entry blank, phone, write, or drop in at the address below, or mail below. By calculating how much hot water you can estimate from an LP-Gas water heater, you can get calculation may win the contest and bring you the prize.
United States Testing Company, Inc. will test two new water heaters—one LP-Gas, one electric. These heaters will be average home-size water heaters. The test will measure how much 160° hot water (normal clothes washing temperature) each will deliver over a 30-day period operating at full capacity, 24 hours a day. The certified results of this test will determine the contest winner.

Nettie Bowen, Bride-Elect, Honored At Gift Tea in Mrs. Tom Teague Home

Mrs. Tom Teague, 133 South-west Avenue B, with other hostesses, honored Nettie Bowen, bride-elect of W. Theo Johnson, at a gift tea last Tuesday evening from 7:00 till 9:00 o'clock.

Pink and green were used as a color scheme for decorations. A white linen cloth with pink nylon net overskirt covered the refreshment table, which was centered with an arrangement of sweetheart roses and cupid, a

Ruth Sunday School Class Group Meets In V. Madden Home

Members of the Ruth Sunday School Class of the North Central Avenue Baptist Church held their regular monthly social and business meeting last Friday in the home of Mrs. V. Madden.

Following opening prayer, the session was called to order by the vice president, Mrs. Sid Clay. The class song "Amazing Grace" was sung by the group, and devotion was given by Mrs. Harold Lee on the parables of sewing seeds for Christ from the eighth chapter of Luke.

The treasurer's report was given by Mrs. V. Madden, and the minutes were read by Mrs. W. J. Stewart. The closing prayer was offered by Mrs. Harold Lee.

The group enjoyed games of bingo. Refreshments were served to the following: Mrs. Cross, Mrs. Martin, Mrs. Lee, Mrs. Mullins, Mrs. Patterson, Mrs. Stewart, Mrs. Clay, Mrs. Anderson, Mrs. Phillips, Mrs. Plimmans, Mrs. E. B. Hopper and Jane and the hostess, Mrs. V. Madden.

Next meeting of the class will be in the home of Mrs. A. G. Anderson, when an all-day session will be held.

Instead of crying over split milk go milk another cow.

hand painted plate with "Nettie and Theo" etched on it adorned the table, announcing the date of the wedding, May 3, 1959.

Guests were met at the door by Mrs. Loren Griffin of Abilene; Mrs. Teague, who introduced; the bride-elect Nettie Bowen; Mrs. W. V. Walton, sister of the bride-to-be; Mrs. W. F. Johnson, mother of the groom-to-be; Mrs. Frank Johnson of Rotan, and Florene Cornett of Knox City.

The bride-elect wore a bone white embroidered linen dress with a white orchid.

Other hostesses wore corsages of pink sweetheart roses. Presiding at the table were Mrs. Tate May, Mrs. M. T. York, Mrs. A. A. Hackley, Mrs. R. H. McCurdy. Assisting at the table were Mrs. Ross Fomby, Mrs. L. C. Bonds, May Gay and Mrs. Ernest Lee.

Floating hostesses were Mrs. C. C. Prater, Mrs. Ira Parker, Mrs. W. H. Pickron, Mrs. Kenneth Scott, Mrs. L. L. Cowan, and Mrs. Jack Morris, and Mrs. Davis of Abilene, cousins of the bride-elect. Pearl Hudson presided at the guest book.

Pink punch and cookies were served to some 135 guests who attended. Good-byes were said by Mrs. Vera Nobles.

Mrs. Baker's Pupils to Give Recital Tuesday

Mrs. L. B. Baker will present her music pupils in a recital on Tuesday evening, May 12, at 7:45 o'clock at the Hamlin High School auditorium.

The program will consist of piano solos, duets, trios and songs. Specialty numbers will be given by Carol Jo Simpson and Rebecca Ann Ferguson, accompanied by Lana Claude Lancaster.

The public is invited to attend the recital.

THESE WOMEN!

By d'Alessio

"Figure it out for yourself... At the rate you're asking for shorter hours, in six months, you won't be coming in to work at all!"

Security for Families Is Topic of Agent at Good Neighbor Club

"Security for Families" was the program brought to the Good Neighbor Home Demonstration Club by Mary Y. Newberry, the county home demonstration agent, when the club met April 28 with seven members and one visitor present.

After the business session, which included discussion of plans for the three-county camp to be held at Lueders July 23 and 24, the meeting was turned over to the agent.

Mrs. Newberry started her program by saying that security for a family begins the day a couple gets married. Some of the fundamentals of security are peace of mind, sound financial planning, knowing how to use money and finding it good to live, work and play.

"Keep the family's yearnings within the family's earnings. It is not what we have but what we do with what we have that makes life happy for us. Right attitude, family counsel and planned spending can lead to financial security."

Among some of the other things that lead to economical security are: Social security, pension plan, different kinds of insurance, including life, hospital, group plans of insurance, different kinds of investments and savings accounts.

Refreshments were served by the hostesses for the day, Viva Joiner and Rebecca Brown.

More Than 200 Attend W. T. Johnson Family Reunion on Sunday

More than 200 relatives and friends Sunday attended the annual family reunion of the family late Mr. and Mrs. W. T. Johnson Sr., at the home of one of the sons of the pioneers, Robert Johnson, and wife on the family homestead, south of Hamlin.

Incidentally, the old Johnson home, built in 1890 with lumber hauled by wagon from the Texas & Pacific Railway at Merkel before this section had a railroad, still stands and is occupied by a grandson, Ray Johnson, and family.

There were eight children of the pioneer family, only two of whom still survive, Robert Johnson and Mrs. Austin Rose of Hereford. The other children were Simpson Johnson of Hico, Mrs. John Hudson of Hamlin, J. T. Johnson, E. W. Johnson and A. P. Johnson.

Relatives and friends were here for an all-day gathering and big feast at noon from Hereford, San Antonio, Decatur, San Angelo, Odessa, Lubbock, Abilene, Neida and Hico.

There were four generations in two of the families attending the reunion.

Sew Zipper in When Fastener Is Closed

Always sew a zipper in a garment with the fastener closed. This keeps the opening neater and helps with the stitching, as you can feel the metal through the fabric while guiding it under the foot of the machine.

Be sure to suit your zipper to the weight of the fabric. Heavy woollens need a strong tape and stout teeth. Laces and light material take soft, finer, more pliable types.

DOWN AND UP.

Appended to a monthly statement from a tailor:

"Man is dust; dust settles; be a man."

Nettie Bowen and W. Theo Johnson Say Rituals at Eastland

Nettie Bowen and W. Theo Johnson were united in marriage at 9:30 Sunday morning in the home of Rev. and Mrs. J. Henry Littleton at Eastland.

The bride and groom are well known in Hamlin, having been connected with business firms in the city for many years.

The bride is the daughter of the late Mr. and Mrs. Joe Bowen, and he is the son of Mrs. W. F. Johnson, both pioneer families of the Hamlin community. Rev. Littleton, who officiated at the double ring ceremony, is a former pastor and cherished friend of the bride and groom and their families.

Mr. and Mrs. Wallace V. Walton, brother-in-law and sister of the bride, accompanied the couple to Eastland for the rituals.

After a short wedding trip, Mr. and Mrs. Johnson will be at home at 136 Southwest First Street.

Home Demonstration Women Make Plans For Tri-County Camp

The Jones, Haskell and Fisher County camp planning committee for the annual Home Demonstration Club camp met Tuesday at the Anson home demonstration agent's office to make plans for the annual three-county camp, according to Mary Y. Newberry.

The camp will be held at Lueders on July 23 and 24. Jones County women will be in charge of the recreation and part of the program.

Those attending from Haskell County were Mrs. Marvin Walters, Mrs. Paul Cothron, Mrs. Bill Wiseman, Mrs. Clyde Bland and the agent, Barbara McAnnelley.

Attending from Fisher County were Mrs. Jerry Maberry, Mrs. Rex Kemp, Mrs. Ray Maberry and the agent, Alice Kemp.

Representing Jones County were Mrs. J. W. Osment, Mrs. Walter Grimm, Mrs. Noel Weaver and the agent, Mary Newberry.

Mrs. Noel Weaver of Hamlin is chairman of the three-county camp.

Eastern Star Officials Honored with Supper by Hamlin Lodge Monday

Mrs. Katherine M. Poulis of San Antonio, worthy grand matron, grand chapter of the Texas Order of the Eastern Star, was honored at a called meeting of Hamlin Chapter No. 460 Monday evening when more than 100 women of this area attended.

First Baptist WMS to Honor Senior Citizens

Woman's Missionary Society of the First Baptist Church will honor the senior members of the church with a program and tea in the fellowship hall of the church Monday afternoon at 4:00 o'clock, it is announced by Mrs. Gene Prewitt, committee chairman in charge of arrangements.

Rev. and Mrs. Henry Littleton of Eastland will be special visitors. Bro. Littleton, former pastor of the local church, and Mrs. Littleton will speak.

All old-timers of the community are invited to attend the special gathering, where time will be allowed to reminisce, it is announced.

Mary-Martha Class Group Entertains at Party for Husbands

Members of the Mary-Martha Sunday School Class of the First Baptist Church enjoyed a covered dish supper with their husbands last Thursday evening at the church.

The group was led in prayer by Bill Shira. Supper was then served to the following: Rev. and Mrs. Calvin Bailey, Mr. and Mrs. W. G. Ferguson, Mr. and Mrs. J. F. Bishop, Mr. and Mrs. W. I.

Goolsby, Mr. and Mrs. Marvin Carlton, Mr. and Mrs. S. C. Ferguson and Mr. and Mrs. Bill Shira.

Immediately after supper the president, Mrs. W. I. Goolsby, suggested that the group join in a song session led by the class teacher, Mrs. Marvin Carlton, at the piano. Bro. Bailey then presented an enjoyable devotional Closing prayer was led by Marvin Carlton.

Hostesses were Mmes. Marvin Carlton, Frances Sharer, Bill Shira and S. C. Ferguson.

The biggest reward for a thing well done is to have done it.

WINN'S

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin.—"They said it couldn't be done. And sure enough, it couldn't."

This is the attitude of many tired lawmakers toward the session-long struggle to raise some \$200,000,000 in new tax money.

As the regular session drew near to a close, House members, in effect, admitted they couldn't agree on a program that would do the job. House sent to the Senate the scraps of selective sales tax measure (HB 727) and a bill to increase the corporation franchise tax for one year only.

There was off-the-cuff talk among House members of someone's proposing at a later date to solve the problem by cutting the appropriation bill across the board to four per cent less than the 1958-59 budget. This would bring such violent reaction it was thought that both lawmakers and their constituents would be more receptive to new tax proposals.

Senate state affairs committee has indicated it has no intention of trying to shove through a tax program just to beat the May 12 deadline of the regular session. Full hearings have been promised for all viewpoints.

Fire-Police Bill Passes.—House voted 83 to 56 for a bill that would shorten hours of city firemen and policemen.

Senate already has given the bill final passage. After one more favorable vote in the House it will be ready to go to the governor.

Oponents tried unsuccessfully to get the bill amended to give local citizens a chance to vote on whether the bill would affect their cities. Supporters protested this would "kill the bill."

Truck Bill Signed.—Governor Price Daniel signed the bill rais-

ing the truck load limit from 38,400 to 72,000 pounds.

But he made no bones about his misgivings. He recommended that the State Highway Department and county Commissioners Courts take steps to keep the heavier loads off farm roads and others that might be damaged.

Before deciding to sign the bill, the governor took an unusual step, by calling a public hearing. State Highway Engineer D. C. Greer testified there were some 5,000 miles of road that couldn't take 72,000-pound loads. Colonel Homer Garrison Jr., director of the Department of Public Safety, said more license and weight inspectors would be needed. Higher registration fees were expected to provide revenue for this.

Seventeen Potential Governors.—Sixteen successors to the governor would be designated in a proposed constitutional amendment, that has Senate approval.

Senator Culp Krueger of El Campo is sponsoring the measure designed to assure a living chief executive in case of atomic attack.

Line of succession would be the lieutenant governor, president pro tempore of the Senate, speaker of the House, attorney general, secretary of state and the chief justices of the 11 courts of civil appeals in their numerical order.

How Clean the Cow.—Senator Grady Hazelwood's bills to regulate milk imports is stirring up more commotion than a short in a milking machine.

Senate passed the bill, and a sub-committee of the House livestock committee approved it.

Bill would require that milk brought into Texas from other states meet same standards as

KERRY DRAKE

those imposed on Texas producers.

Milk producers who favor the bill, say it will protect consumers from unsanitary milk. Milk processors who oppose the bill retort that all states have adequate sanitation standards. They contend the producers are seeking a device for excluding out-of-state milk so local prices can be jacked up.

Big Year Ahead.—A forecast of the hubbub that can be expected in the political year of 1960 was seen as the Legislature debated election law changes.

Both House and Senate gave final approval to a bill that would

allow a candidate's name to appear twice on the same ballot. It is designed to allow U. S. Senator Lyndon B. Johnson to run for another Senate term and accept a presidential nomination at the same time, if opportunity should arise. Senate approved unanimously; the House by a 129 to 15 vote. Liberal members, mostly from Houston, objected.

A bill to move forward two months the dates of state primaries and conventions also drew liberal protests. It would move primaries up to the first Saturdays in May and June. State convention to name delegates to the national presidential nominating convention would be the last Tuesday in May.

Opponents claimed it was intended to let Senator Johnson get his state politicking out of the way before national convention time.

Changing parties in mid-stream would be outlawed under a bill that has received final approval of both houses. Each poll tax would be stamped "Democrat" or "Republican" the first time a person voted in a primary. For the period he used that poll tax, the holder would have to stick with the party of his stamp, in the primaries and party conventions.

Three Studied Suggested.—Senate has approved three studies to

be made by the legislative council before the 1961 session.

Recommended for consideration are:

1. Possibility of adding the generously endowed University of Houston to the state college system sponsored by Senator Robert W. Baker of Houston.
2. Ways to simplify the tangle of special funds which pay for state government, sponsored by Senator Culp Krueger of El Campo.
3. Special fees charged by state agencies for licensing and other services, by Senator Crawford Martin of Hillsboro.

Short Snorts.—Examinations

will be held May 19 to 21 for 75 vacancies in the Texas highway patrol. Those accepted will receive six months' training at the State Police Academy, six months on-the-job training, all with pay. State taxes cannot be collected on beer sold on U. S. military posts, according to an attorney general's opinion. Similar opinion was made earlier in regard to cigarette taxes.

MODERN COURTROOM

"Are all the news cameramen here?"
"Yes, your honor."
"Lights o. k.?"
"Yes, your honor."
"Good. Then let justice take its course."

Sophomores Again Lead High School Classes Making Six-Week Honor Roll

Sophomores of Hamlin High School again led classes making the fifth six-week honor roll released this week by B. V. Newberry high school principal. The sophs had 28 on the top ranking list. Freshmen were second with 22 on the list, and the seniors and juniors were tied for third with 19 on the honor roll.

The complete honor roll of classes, follows:

Seniors: A average—Pat Branscum, Jerry Crowley, Eddie Gabriel, Louise Lakey, Judy Parker, Ginger Rabjohn and Gloria Rodgers; B honor roll—Barbara Butler, Wyvonne Conner, Billie Donney, Jo Ann Hallum, George Jenkins, Libby Johnson, Betty Maberry, Melba Osbourn, Gerald Renfro, Judy Teichelman, Glenda Wright and Glenda Williams.

Juniors: All As—Pat Bigham, Barbara Cheshier, Peggy Dodd, and Lana Lancaster; A average—Cynthia Patterson, Ann Richey and Carol Jo Simpson; B average—Dorwood Boyd, Martha Gage, Geneva Brinegar, Rebecca Ferguson, Ronny Fleckenstein, Phyllis Hollis, Ann Maberry, Danny McCurdy, Carolyn Nunley, David Wade, Steve Stephens and Richard Winegeart.

Sophomores: All As—Suzanne

Jenkins, Nina Jean, Ann Rabjohn, Myra Siburt and Monte Wade; A average—Wayne Boatright, Ray Johnson, Bob Murff and James Richardson; B average—Mike Bond, Milburn Crawford, LaNell Cross, Joe Ford, Darla Harkey, Jack Haught, Clyde Hodnett, Joene Hud-peth, Jennie Law, Reta Maynard, Ned Moore, Charlene Pendley, Henry O'Neal, Cecil Robinson, Sarah Snapp, Nell Waldon, Janice Ueckert, Zoan Winegeart and Sharon Wyatt.

Freshmen: All As—Martha Jordan and Thelma McClung; A average—Linda Bigham, Jeanette Jenkins, Jerry Smith, Mary Smith and Dwayne Wheat; B average—Stanley Austin, Neal Branscum, Leana Brinegar, Barry Cheshier, Lucille Decker, Dixie Daniels, Jerry Duncan, Tanja Hamilton, Darlene Josey, Jerry Legan, Jesse Mendoza, Sandra Smith, Eddie Townley, Jerry Warnell and Laverne Williams.

OR THEREABOUTS.

Keezer: "When this depression is over the rich will be richer and the poor poorer."

Geezer: "Yes, and I presume the ones that are neither will be neither."

WAGONLADS OF KIDS and grown-ups too were present Sunday for the annual family reunion of relatives of the late Mr. and Mrs. W. T. Johnson on the old home place of the pioneer Hamlin area residents. The reunion was at the home of Mr. and Mrs. Robert Johnson, south of Hamlin, where more than 200 relatives and friends gathered to feast and reminisce. The original Johnson home, built in 1890, is still standing.

HAD HIS SYMPATHY.

Bride: "Did Jack seem upset when you told him I was married?"

Friend: "Well, what he said was that he was sorry, even though he didn't know your husband personally."

Jones County 4-H Club Teams Will Compete in Meet

Seventeen Jones County 4-H Club members, comprising five different demonstration and judging teams, will enter Extension District III 4-H Club judging elimination contests at Midwestern University in Wichita Falls Saturday, May 9, according to information received this week from Jones County extension agents, Mary Y. Newberry and Kirby Clayton.

The Jones County group will enter a vegetable production demonstration by Phylecia Roberts and Karolyn Bagley; a dairy foods team demonstration by Barbara Shucrist and Sandra Garrett; public speaking by Patsy Wade; dairy cattle judging team composed of Gerald Richie, Tommy Hunter, Jackie Culpepper and Judy Moritz; and a share-the-fun skit by Helen Bockman, Louise Rhynes, Freida Hennager, Linda Perkins, Carolyn Cox, Mike Barbee, Carol Spurgin and David Adams.

The district winners will compete in state competition at the State 4-H Round-Up at Texas A. & M. College in June.

The group will be accompanied to Wichita Falls by county extension agents Kirby Clayton

Crowley and Son Lose Damage Suit

C. B. Crowley of Hamlin and son, Jerry, 17 years old, were denied damages they had sought by at 42nd District Court jury which heard testimony last week in their suit for \$35,800 against Lenzie Hayden, Dvess Air Force Base negro at Abilene.

Young Crowley's ankle and toes on the right foot were broken when the motorcycle he was riding collided with Hayden's car last September 18 in Abilene.

John Willoughby was attorney for Hayden. Davis Scarborough represented the Crowleys in the Abilene case.

Ballpoint pen refills at Herald

and Mary Newberry and two adult leaders from Noodle.

Col. George D. Wood To Speak at Armed Force Day Lions Meet

Hamlin Lions Club will participate next week in the observance of Armed Forces Week. It is announced by Acting President E. V. Newberry.

Lieutenant Colonel George D. Wood, director of material at the Dyes, Air Force Base at Abilene, will speak at the Tuesday noon luncheon of the club at the oil mill guest house.

Colonel Wood first entered the armed forces in 1942 after graduating from Arizona State College. He served at Altus Air Force Base, Oklahoma, before going to Dyess with the 96th Bomb Wing in 1957. The colonel was commander of the 96th Armament and Electronics Squadrons at Dyess before being transferred to the division director of materiel's office.

Churches of Christ of Abilene Area Sponsor Address by Italian

Abilene area Churches of Christ are sponsoring the appearance of Evangelist Fausto Salvoni of Milan, Italy, in Abilene on Friday night, May 8. Salvoni will speak at the Highland Church of Christ auditorium beginning at 7:30 p. m.

The speaker has been a minister of the Church of Christ in Italy for nine years, working under the oversight of elders of the Knox City church.

The Abilene speech will cover some of Salvoni's experiences as a Roman Catholic priest and teacher in a college for priests in Milan. He also will talk about his study of the Bible, teaching on such subjects as baptism, the Christian priesthood, organization of the church, rulers of the church, the confession, and the harmony of persons who study only the Bible and accept it.

Principles must be above expediency if our political system is to endure.

We put the light in Your window

Had you come 25 years ago young fellow, your light would have been a kerosene lamp. But your Dad and a lot of other folks like him organized an electric cooperative and built their own electric system. It was the only way we could get electricity in our rural area.

Now you are going to have to help guard it. Some people would have you think the government built the system and gave it to us. That isn't true. We borrowed the money and we are paying back our loan with interest. Our cooperative is a business managed, tax paying partnership and we are happy to welcome you as a member. Because the Cooperative brought electricity to your farm you'll lead a healthier, happier life.

Crow strong young fellow. You'll want a light in the window some distant night when your son comes into the world.

Record of Peace with Near Neighbors Cited by Johnson as Pattern for World

This nation is ignoring a powerful weapon of peace in answering the daily challenges of the cold war, declares U. S. Senator Lyndon B. Johnson in his weekly news letter from Washington to The Herald. The release continues:

In dealing with the Soviets and their satellites our new secretary of state, Christian Herter, can point to facts rather than words. He can speak as a man who serves a country that has demonstrated its desire to live in peace with its neighbors both to the North and to the South.

Billion of dollars, as you know, are being spent on defense. But not one dollar need be spent to defend this nation from aggression in a neighbor. Unhappily, this isn't true for the rest of the nations of the world.

Here in this hemisphere we learned long ago that the foundation of the future lies in building stout bridges of friendship rather than tall walls of discord. The results are there. The story is being told day by day in the news.

To the north is Canada. Separating this nation and that great dominion are 3,987 miles of open border. Buttressed against more than 2,000 miles of border to the south is a second good neighbor, the Republic of Mexico. And nowhere on either border does gun face gun or missile point toward missile.

Instead, deep in the interior of Mexico, a team of experts representing both the United States and Mexico is now making a survey aimed at combatting that costly livestock pest, the screw-worm fly.

Agreement is being negotiated for constructing Diablo Dam, an international structure that would span the Rio Grande River above Del Rio.

These are but two of many projects, and a similar story of cooperation is being written to the north with Canada.

A living document of three great nations willingly working together underlines the record.

Let's invite men everywhere to lift their eyes from the gunsight to look at what can be done in a free world where three nations can live in neighborly peace and Godly love. Let's give these people the hope that they can do as we have done.

ROUGH TIMES.

"Stick 'em up!" growled the gangster.

"You're wasting your time," said the intended victim. "Things are so tough with me I haven't had a coin in my pockets for a week."

"You think that's tough? You don't know what tough is," the hold-up man replied. "I ain't been able to afford bullets for this gun for two months."

Musical Program Given by Students At Lions Luncheon

A musical program by students of Hamlin High School was the program feature at the Tuesday noon luncheon of Hamlin Lions Club at the oil mill guest house. Ambrose Spencer was at his inimitable best in presenting the program in an oratorical fashion.

Peggy Dodd and Ann Richey sang four duet numbers, "Too Young to Tango," "Roll Along, Prairie Moon," "Among My Souvenirs" and "I'm a Big Girl Now," accompanied by Carol Jo Simpson at the piano. Danny McCurdy read "Eighteen Years," which challenged Americans to strengthen their loyalties for lasting peace and continued growth. Bunny Patterson and Martha Gage sang three duet numbers, "He," "Whispering" and "Blue Moon," also accompanied by Miss Simpson.

Besides the program performers, another guest at the Tuesday luncheon was L. W. Patterson of Abilene.

Officers for the new Lions Club year beginning July 1 were announced as follows: Donley Williams, president; James Josey, first vice president; George E. Campbell, second vice president; Joe League, third vice president; Ed Croan, secretary; E. A. Hewett, treasurer; Austin Siburt, Lion tamer; Calvin Bailey, tail twister; Gene Moore, song leader; Lester Minton and Jerry Howard, one-

year directors; E. G. Holzman and Duane Stallcup, two-year directors.

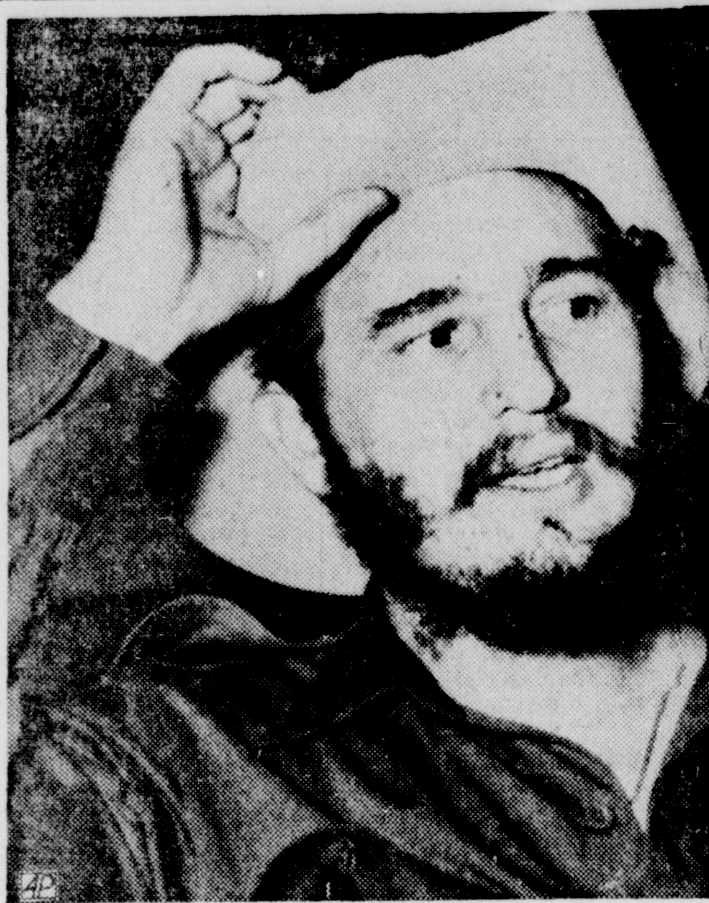

It's impossible for a woman to be married to the same man for 50 years. After the first 25 he's not the same man.

A MAN'S MAN.

Two cowboys were talking. One said, "My name's Tex."

Second one, "You from Texas?"

Answered the first one: "Nope, from Louisiana, but who wants to be called Louise?"

JUST LIKE AN OL' COW HAND—Fidel Castro, bearded leader of Cuba's revolutions, tries on a 10-gallon hat presented to him at a luncheon in Houston after his arrival from Canada. A cheering crowd of 1,000 persons welcomed him as his plane landed. Castro announced he would stay overnight in Houston and leave for Buenos Aires the following day.

Featured Player In Ferguson Film Meets Tragic End

Shortly after Ritchie Valens, who is featured in "Go, Johnny, Go!" coming to the Ferguson Theatre on Sunday, Monday and Tuesday, completed his acting role in the film he boarded a chartered plane for one of his many personal appearances. En route, the plane crashed in a blinding snowstorm and with this tragedy came to a close one of the most brilliant careers in the history of show business.

Born and reared in Pacoima, California, Ritchie attracted early attention with his singing and guitar playing, and was signed by Del-Fi Records to sing his own song, "La Bomba." It became an instant international hit and rocketed Ritchie to fame and success which culminated in his last hit song, "Donna," and his musical number in the Hal Roach productions, "Go, Johnny, Go!"

Whether singing or playing the guitar, Ritchie had a vitality and enthusiasm that captivated all who watched him. It was this quality that made him a must for "Go, Johnny, Go!" and he gave his one and only screen performance for the producers of this picture.

Following "Go, Johnny, Go!" Ritchie Valens met his untimely death, and the personal appearance tour that had been scheduled for him was picked up by Jimmy Clanton, the star of "Go, Johnny, Go!" who had been his close personal friend.

Family Night Affair Enjoyed Wednesday By Fairview Church

Family night was observed at the Fairview Baptist Church last Wednesday evening. A picnic supper was spread on tables in the front yard of the home of Mr. and Mrs. Buck Richey near the church, six miles southeast of Hamlin. Thirty-one were present for the feed which was also Mr. Richey's birthday.

The group then went to the church, where they met Bertie Agnew of Anson, who showed the pictures she had made in Europe when she attended the Baptist World Alliance several years ago in London.

Miss Agnew toured England, France and Holland and had many beautiful and interesting pictures to show and made a very good lecture on the sights and customs of these countries. When asked which of these three countries was the most religious, Miss Agnew said Holland had more churches of all faiths and the people were more serious about their Christianity.

New Officers to Be Installed at P-TA Meet

Installation of officers for next year will be a feature of the business and social meeting of the Hamlin Parent-Teacher Association this (Thursday) afternoon at 3:45 o'clock at the Primary School cafeteria.

Following the invocation, a program of music will be rendered by the Junior High School choral group under the direction of Mrs. Willard Maberry. The president, Mrs. M. L. Smith, will make her report on the past year's activities, and the officers will be installed.

At the social hour following, the parents of children beginning their school next year will be special guests of the P-TA group. These mothers are especially invited to attend the meeting, officials declare.

DOUBLE ILLNESS.
